## LEARN FROM OTHER LEADERS

Your PDK membership includes an annual subscription to **Phi Delta Kappan**, a professional magazine that addresses topics of interest to K-12 educators. Each issue blends research, reflection, and practical ideas from some of the best and most thoughtful professionals in education.

Your PDK membership also provides full access to many online resources and publications.

- **EDge** contains the latest information for the education practitioner, including timely information on instructional issues. Your free electronic issues are available at [www.pdkintl.org](http://www.pdkintl.org). Enhanced professional membership includes a print copy of **EDge** as a benefit.
- **Classroom Tips** is a handy one-page reference tool—written by PDK members—that highlights new ideas to implement in the classroom. Your free editions are available five times a year at [www.pdkintl.org](http://www.pdkintl.org).
- **The PDK/Gallup Poll of the Public's Attitudes Toward the Public Schools** archive integrates all of the topics that have been covered in current and past polls, including specific questions and national results from every Gallup poll in PDK's history. Log in at [www.pdkintl.org](http://www.pdkintl.org) to examine the data.
- The **Kappan** database contains over 30 years worth of article abstracts. Search for the topics that interest you in the online database available at [www.pdkintl.org](http://www.pdkintl.org).

## DEVELOP YOUR SKILLS

You hear about “professional development” frequently in your work. What does it mean? At PDK, we believe that ongoing professional development must be based on well-documented research and tailored to the needs of the professionals it serves. That's why we offer:

- **Onsite training sessions** – delivering the best in research-based professional development to your school
- **Annual PDK summits** – bringing together educators and policy makers to tackle the biggest education issues of the day
- **International travel** – putting you in touch with colleagues abroad, exposing you to education in other nations, and allowing you to sample world cultures
- **PDK Book Club** – providing you with the most prominent, education-related books to develop your professional skill set

Visit [www.pdkintl.org](http://www.pdkintl.org) to browse the full range of professional development opportunities available to you as a PDK member.

## ESTABLISH CONNECTIONS

PDK helps you reach other professionals:

- At the **local level** through our network of chapters
- At the **national level** through the annual PDK summit
- At the **international level** through our travel program
- At **all levels** through our online social network, PDKConnect

Unlike other subject- or grade-specific associations, PDK connects you with the broadest possible range of education professionals. Our members include classroom teachers, school and district administrators, higher education faculty administrators, and policy makers. Meet and share ideas with a diverse group of authoritative members at local meetings—or at the click of a button.

## MAKE A DIFFERENCE

Looking for ways to get involved in efforts to improve education? PDK members promote high-quality education and support educators in a variety of ways that include:

- **The annual Chalk Walk<sup>SM</sup>** – This event raises funds to support the next generation of educators while honoring teachers, past and present, who make a difference.
- **The Future Educators Association<sup>®</sup>** – This professional organization supports more than 20,000 students who are interested in education-related careers.
- **Read for the Record** – This event, sponsored by Jumpstart and Pearson Foundation, promotes early childhood education by calling on participants to read a designated book on a designated day. The result: thousands of readers united for an educational purpose.
